

IMPORTANT NOTICE!

It has come to our attention that there is a fake Facebook account posing as Workaway International. Please be advised that the official Workaway International Facebook page is verified and can be identified by the grey tick. The link to the official Facebook page can also be found on our website - <http://www.workaway.com/>

How to check whether a business is legitimate:

- Check whether the business has an official website
- Make sure that the contact details are valid
- Search for reviews online
- Check whether the business has a physical address
- Look for verified social media accounts
