

Pathology Referral

From: Medical Advisor MMI Health

Dear Pathologist

Please assist with the following:

PROCEDURE: Blood test required to screen for Hepatitis A, B and C

Hepatitis A: IgM Ab test (HA IgM Ab)

Hepatitis B: Surface antigen test (HBsAg)

Hepatitis C: Hep C Ab test (HC IgG Ab) if positive PCR

CLINICAL: To exclude the presence of active Hepatitis

Procedures

- * The tariff code 4531 x 3 will be reimbursed upon receipt of the account at the preferred rate.
- * The result of the test should be sent to the requesting provider.
- * Accounts may be submitted electronically, faxed to 021 4411846 or emailed to workaway@mmiholdings.co.za
- * All assessment forms must be completed in English.
- * Please indicate if active Hepatitis A, B and C exist.
