

Pathology Referral

From: Medical Advisor MMI Health

Dear Pathologist

Please assist with the following:

PROCEDURE: Blood test required to screen for Hepatitis A, B and C

Hepatitis A: IgM Ab test (HA IgM Ab)

Hepatitis B: Surface antigen test (HBsAg)

Hepatitis C: Hep C Ab test (HC IgG Ab) if positive PCR

➔ For patient's own account if Hepatitis A, B or C are positive

Hepatitis A: IgG test

Hepatitis B: IMM HBs Ab test

Hepatitis C: PCR Virus Qualitative test

CLINICAL: To exclude the presence of active Hepatitis

Procedures

- The tariff code 4531 x 3 will be reimbursed upon receipt of the account at the preferred rate
- Please remind the patient to wait for the Pathology results, because they need to take the results to the Referring MMI Health doctor for their medical evaluation
- Any enquiries can be directed to MMI Health on 0860 101 159
- Accounts may be submitted electronically, faxed to 021 4411846 or emailed to workaway@mmiholdings.co.za
- Please include the patient's full name and ID number on the account
- All assessment forms must be completed in English
- **Please indicate if active Hepatitis A, B and C exist**
