

## Radiology Referral

From: Medical Advisor MMI Health

Dear Radiologist

Please assist with the following:

**PROCEDURE: Chest, Single View (Code 30100)**

**CLINICAL: For exclusion of underlying tuberculosis**

## Procedures

- The procedure code 30100 will be reimbursed upon receipt of the account at the preferred rate
- Please remind the patient to wait for the Radiology results, because they need to take the results to the Referring MMI Health doctor for their medical evaluation
- The result of the test should be sent to the requesting provider
- Any enquiries can be directed to MMI Health on 0860 101 159
- Accounts may be submitted electronically, faxed to 021 4411846 or emailed to [workaway@mmiholdings.co.za](mailto:workaway@mmiholdings.co.za)
- Please include the patient's full name and ID number on the account
- All assessment forms must be completed in English
- Re-tests of any kind are strictly for the participant's account
- **Please indicate if active Tuberculosis exist**
