

Earn CASH by referring your friends to us!

REFERRAL INCENTIVE

Introduce your friends to Workaway International and earn cash!

Are you a former candidate or current applicant of our Workaway program? Why not invite your friends, family, colleagues and fellow students to join the 2021/2022 Workaway International program? They'll have fun and get great work experience while you can earn cash!

How to do it?

Email info@workawayinternational.co.za the names (name and surname) and contact details (cell phone number and email address) of all your friends who you think stand a good chance of being successfully signed up for 2021/2022. Use the subject line "INCENTIVE" in your email. If any of them are chosen, Workaway International will reward you as follows:

First recruit	R150
Second recruit	R250
Third recruit	R350
Fourth recruit	R450

That means you earn **R1 200** if four people you introduce to Workaway are selected to attend next year's program!

Remember, the more people you introduce to Workaway, the better your earnings. Only those who are chosen to go to the US will count towards your reward. You must include "INCENTIVE" in the subject line of your email to us. Payments will be made in November 2021. Please note that this program is only open to current applicants and former participants.

Please see www.workawayinternational.co.za for dates and venues of the sessions or call 0861 WORKAWAY (96752929)

We look forward to taking you there!
