The Code of Ethics and Professional Conduct is designed to provide a standard of moral behaviour by which program participants are expected to govern themselves.

Our best recommendation for testing the propriety of any action is to ask yourself, “If this particular activity were to be known by the general public, would I still engage in it? Or, would doing so bring dishonour upon myself, my family and the outstanding reputation of this program and the Country Club?”

Participants are obligated to comply with all applicable federal, state and local laws and/or regulations. While it is not practical to list all laws to which individuals are subject, the following violations shall provide example:

*Underage consumption of alcohol; trespassing on private property; theft of/or damage to public property (i.e. stealing traffic signs, breaking windows, graffiti); theft of private property (i.e. jewellery, money, valuables); falsifying information provided to government agencies (i.e. Immigration and Naturalization, Internal Revenue Service, Social Security Administration).*

Participants are obligated to comply with and uphold all policies and procedures of the Club. While it is not practical to list all policies and procedures to which individuals are subject, the following violations shall provide example:

*Damage to Club property (i.e. crashing a golf cart, carelessly breaking equipment); theft of Club property (i.e. unauthorised consumption of food, unauthorised telephone call/internet use, outright stealing of food, liquor, china, silver, drinking while on duty, etc.).*

This code is not the exclusive source of Club standards or policies and should be regarded as an addition to all other Club rules and regulations. Nor is this code entirely inclusive – no one statement can satisfactorily cover all questionable situations and circumstances.

Nevertheless, certain criteria are helpful in determining the propriety of a particular activity. Most individuals have a keen awareness of “right” and “wrong” and possess enough common sense to act accordingly.

Representatives of the Country Club or Workaway International are neither your guardians nor your keepers. You and you alone are responsible for your conduct and your own physical well-being.

As an adult (18 years or older), if you are arrested and/or incarcerated for any reason, neither the Country Club nor Workaway International has the authority or obligation to act as your guardian.

CAN I GET A SECOND JOB SOMEWHERE ELSE?

No, your H2B visa only allows you to work for the employer listed on your visa, which will be the country club. In addition, note that you are only allowed to work in the position as stipulated on your visa e.g. if you are listed as a server, you cannot move to another position (bartender, cook, etc.) during the season.

SUBSTANCE ABUSE AND THE WORKAWAY PROGRAM

Possession of controlled substances (drugs) is illegal in the United States. Heavy fines and jail time may result from drug possession or even association with people in possession of drugs. All clients have a zero tolerance towards drug use.

All participants will be tested for drugs before they depart to the USA. You will also be tested upon arrival in the US by your employer as well as randomly throughout the season. Test failure will result in the termination of your contract and deportation.

NOTE: Alcohol consumption on the job will result in disciplinary action, up to and including, suspension and/or termination. Excessive use of alcohol at the housing complexes could also result in termination from the housing program.

The legal age for consuming alcohol in the United States is 21. You will be required to prove your age with a photo ID when purchasing alcohol.

EMPLOYMENT CONTRACTS AND TERMINATIONS

In keeping with the US labour regulations, employment with your employer is “at will”. This means that your contract may be terminated by you or your employer, at any time, with or without cause or notice.

The Country Clubs are in the member pleasing business and their primary focus is member satisfaction. Upholding the standards of the Club you are working at should be the priority guiding your work ethic. It is accepted that, from time to time, mistakes may be made within the work environment.

However, when rules are broken, policies disregarded, or mistakes repeatedly made, there will be consequences. You may be given a verbal or written warning depending on the circumstances and severity of the situation. Three warnings may result in suspension and/or termination. There are, however, actions which could result in immediate termination, such as theft, property damage, fighting, unauthorised use of the Club’s equipment etc.

All regulations will be detailed in the employee handbook you will receive during either your Workaway / Country Club orientation. Please familiarise yourself with your employer handbook.
TRANSPORT AND TIME-KEEPING

If you reside at the housing organised by the appointed housing company, transport to and from work will be provided either by bus or van.

BUS/VAN TRANSPORT

Bus/van schedules will be distributed during orientation. Be aware that these are designed to accommodate all daily work timetables and operate accordingly. If you miss a bus/van you are required to inform your manager or supervisor and make your own way to work at your own expense. It is your responsibility to arrive at work on time.

PUBLIC TRANSPORT

Public transport is also available at your own cost.

FINANCES AND EXPECTATIONS

Your employer will pay earnings on a bi-weekly pay schedule.

Please plan accordingly and save enough spending/travelling money BEFORE your last day of work.

Final pay checks will be mailed to your forwarding address in your respective country or can, at your request, be mailed to and collected from your local Workaway office or deposited directly into your USA bank account.

At the Workaway/Country Club orientation, a representative from a local bank will be available to open a checking or savings account for you. It is your responsibility to maintain proper banking records and ensure that you do not overdraw your account.

Remember, your finances are your responsibility and your employer will make no exceptions in this matter.

Further, note that you alone are responsible for your personal documents, e.g. passport, social security card, I-94, etc.

WAGES

You will be compensated with an hourly wage of between $13.00 and $19.15, depending on your position. A minimum of 80 hours over two weeks is guaranteed to employees that are paid bi-weekly. Overtime (over 40 hours worked in one pay week), is paid at time and a half. It is important to note that if you do not meet the minimum salary because of YOUR inability to work the required 80 hours bi-weekly, the guarantee will be forfeited.

TIPS: Due to Club policies, cash tips are prohibited and must be politely declined. Any employee accepting cash tips will be terminated immediately.
WAGES CONTINUED

By law, federal income tax, state income tax (where applicable), medicare and social security tax will be deducted from your paycheck. It is your responsibility to file your income taxes correctly. Workaway will refer you to credible companies to assist you with your tax preparation.

A living expense deduction and a refundable security deposit deduction will be levied on those who select the housing option.

Security deposit refunds will either be direct deposits into your USA bank account, or forwarded to your local Workaway office after end of season inspections.

WEATHER

WINTER PROGRAM
October - May (Florida)

The average temperature during our winter season is 20°-25°C. Though it is usually balmy/humid during the day, long pants or a light jacket may be necessary in the evenings or for occasional cold fronts.

SUMMER PROGRAM
May - October (Illinois, Massachusetts, New Jersey, New York, North Carolina, Connecticut, New Mexico, Michigan, Pennsylvania and Wyoming, etc.)

The summer weather is very similar to a mediterranean summer. Temperatures range from 20°-30°C during the day and fall to about 10°-20°C in the evening, depending on the time of year.

However, because you will be arriving in the spring and leaving in the fall season, it is advisable to bring at least one warm coat or jacket and two to three sweaters for your stay, as it will be considerably cooler at night during these times.

CLOTHING AND REGULATIONS

Pack as though you are going to be away for two weeks and take into consideration the weather as described.

Comfortable casual clothes are appropriate. It is, however, recommended that you bring a cocktail dress or suit to wear at Club functions. A professional outfit is required for your Club orientation – ladies should wear a dress, skirt or pants suit and men should wear dress trousers and a collared shirt and optional tie.

In some instances complimentary uniforms are provided. It will be your responsibility to maintain them immaculately and return them in an acceptable condition upon your departure.

You will be responsible for providing your own footwear and hosiery, e.g. black polishable shoes (slip resistant). A note detailing uniform specific requirements for each employer will be provided at the orientation session.

The client expects you to perpetuate their professional environment even though you may be off duty. Please refrain from wearing cut-offs, tank tops, flip flops, swimsuits, or other extremely casual clothing whenever you are on property, even if it is before/after your shift or to attend a meeting.

*ON A PERSONAL NOTE:

Because of the nature of our business, impeccable personal hygiene is expected at all times. The use of deodorant/antiperspirant is absolutely required and proper undergarments must be worn at all times.

Clothes must be laundered and pressed before each wearing. Hats and head coverings are not permitted unless they are issued as part of your uniform.

Tattoos, tongue rings and other miscellaneous piercings or body decorations are not permitted to be visible while on duty.
FOR GENTLEMEN:

Fingernails must be neatly trimmed. Cosmetics and nail polish are not permitted. Beards, goatees, mutton chops, soul patches, etc. are not permitted. Moustaches must be neatly trimmed without extending beyond the corners of the mouth. **Men are expected to be cleanly shaved at all times.**

Hair must be a neat and conservative style that is easily kept in place. Hair colour should be one that could be grown naturally. Extreme styles, colours, ornamentation and excessive product usage are not permitted. No braiding or dreadlocks are accepted.

About Living in the USA
TRAVEL AND EXCURSIONS

Travel is permitted with prior permission from management in advance of booking it. Managers will do their best to accommodate requests, however there are no guarantees for time off.

CONTACTING FRIENDS AND FAMILY

Faxes may be received at any time and will be given to participants at their next shift. If you are housed by the appointed housing company, you will have a DSL internet connection for flatmates to share. Participants will need to provide their own laptop or computer.

It is recommended that you establish an e-mail address prior to your departure as a great deal of communication will take place over the internet.

Telephones will allow both the making and receiving of calls. Unlimited local calls are permitted, free of charge. Calling cards for international/long distance calls are at your own expense.

GROUP ACTIVITIES

Although this is NOT a ‘working holiday’, Workaway International does encourage cultural exploration. Most employers will coordinate a few outings throughout each seasonal program to broaden your experience.

Your employer will most likely be responsible for arranging the transportation. The participant is responsible for all costs including entrance fees, food, etc. You may be asked to contribute towards the transportation costs.

Trips to major attractions, such as Walt Disney World, Universal Studios, Florida Keys, Sawgrass Mills, South Beach Miami are scheduled from February to April. These outings depend on proximity to your Country Clubs.

Summer in Illinois, New Jersey, New York, North Carolina, and Pennsylvania may offer excursions to exciting ‘must-sees’ such as the Statue of Liberty, Manhattan, Six Flags Great Adventure Theme Park, Broadway, as well as the significant US national passtime such as baseball.

It is your responsibility to receive permission from your manager in advance to attend group activities. The managers will do their best to accommodate everyone’s requests, however, servicing the Club’s members is our first priority.

Remember that using Club telephones for personal use is strictly prohibited and considered grounds for termination.

Contact the Workaway office should you wish to travel outside of the USA whilst working at the Country Club.
HOW TO GET AROUND

As indicated, work transport is provided (by bus or van) to those living in the accommodation provided by the appointed housing company. Public transport is also available.

Most shopping requirements are within easy reach of the accommodation provided by the appointed housing company, and are on city routes, in many instances, within walking distance.

IN CASE OF ILLNESS

If you become too ill to work, you will need to call your supervisor several hours in advance of your scheduled start time.

You will not be paid for the time you are off sick.

If you are out of work for two or more days you will need to bring a doctor’s note to work the next day to excuse your absence. Before you visit the doctor, you must contact the provided medical insurance company to file a claim. If you fail to do this, they may reject your claim. You will also need to contact your employer, who will assist you with facilitating transportation to the appropriate medical facility.

You must have your medical insurance card with you to receive treatment.

You will need to pay an ‘out of pocket’ expense of $100, when visiting a doctor. Be prepared to pay this amount upfront or you may risk not being treated.

Should you become injured in the workplace you must report your injury immediately to your Supervisor or Human Resources department and you will be covered by Worker’s Compensation.

If you become seriously ill and are unable to perform your job, you may be asked to resign from the program.

Dental benefits are not covered by the medical insurance policy. Visit www.workawayinternational.co.za for a direct link to the medical insurance website.
